

THE *Patio Door* COLLECTION
PREMIUM VINYL PATIO DOORS

**QUALITY, ENERGY EFFICIENCY,
EASE OF OPERATION AND OWNERSHIP.**

These features are built into every Polaris® product. Your new vinyl patio door will retain it's pristine appearance and weather tight barrier for a lifetime. See our Transferable Lifetime Limited Warranty for details.

**POLARIS VINYL IS
THE PERFECT PATIO DOOR MATERIAL.**

Our vinyl formulation will not pit, chip, rot, warp, peel, blister, or split. Vinyl does not transfer cold from outside to inside. Vinyl retains its color because color is molded throughout.

OPEN AND SHUT.

Determine how you would like your patio door to open as viewed from outside.

TWO-PANEL DOOR

Choose whether left or right panel glides.

THREE-PANEL DOOR

Center panel glides.

Choose whether panel moves to left or right.

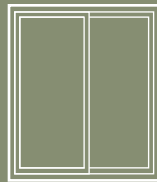

**THE *Patio Door* COLLECTION

Three Panel Widths - 95" to 142 7/8"

Maximum Height - 84"

MULTI-POINT LOCK SECURITY UPGRADE

When door contacts frame, steel hooks automatically lock at two additional points along the frame.

Foot operated dead bolt provides an extra lock point for secure partial opening.

Solid-steel, zinc-plated tandem rollers keep gliding action smooth. Iridium coating on exposed parts enhances corrosion resistance.

HANDLE SETS

feature spring-loaded hook system and exterior key lock.

Oak
standard

Solid Brass
optional

Deluxe
Solid Brass
Multi-Point Lock only

FEATURES AND BENEFITS

Foam filling injected into vertical main frame extrusions expands to add rigidity and insulating value.

Vertical main frame and door panel extrusions are reinforced with aluminum.

Triple weather-stripping where door panel and main frame meet

Door panels meet with over and under interlock and feature double weather-stripping.

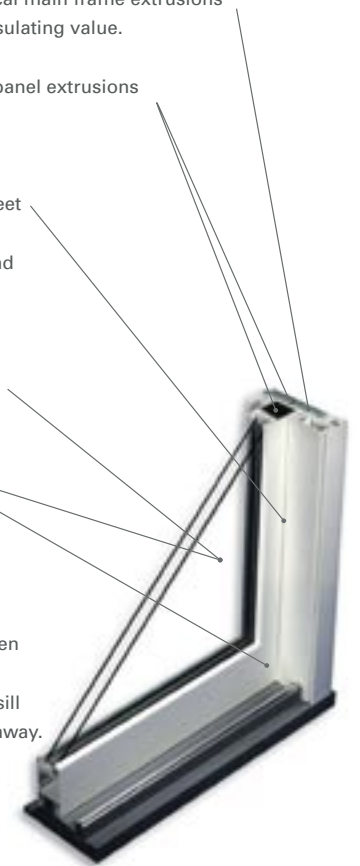

energySmart® Supreme Glass

Safety glass

Fusion-welding at the door panel corners transforms four vinyl extrusions into a strong, one-piece door.

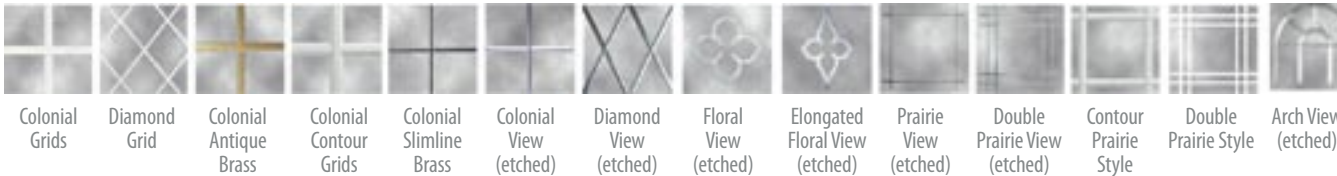

Sturdy, gliding aluminum screen

Sloped, aluminum-reinforced sill guides rainwater outside and away.
